Are you a(n): \_\_\_acupuncturist? \_\_\_healing practitioner? \_\_\_musician? \_\_\_singer?

In registering for this Level I Tama-Do Course, I understand and acknowledge that I am a Level I student of the Tama-Do Academy of Sound, Color and Movement. I understand that in addition to sums I have paid as a fee for this course, part of the consideration that I must provide in return for Tama-Do Academy's agreement to provide this training to me, is my acceptance of the following conditions and terms, which I now acknowledge and accept.

- 1) I acknowledge that after completing the Level I training, I may practice these Tama-Do Techniques taught within this workshop, but I agree that I will not call myself a Certified Tama-Do Practitioner, nor advertise in any manner (such as leaflets, business cards, websites and social media...) nor hold myself out to the public or to clients as a Tama-Do Certified Practitioner or a Tama-Do Practitioner unless and until I am granted permission to do so in writing by Tama-Do Academy, after completing the Tama-Do Practitioner requirements. This means that I will not advertise that I offer any or all of the Tama-Do Techniques in writing or online or in any other way until I have been certified as a Tama-Do Practitioner. However, in being given permission to practice the Tama-Do Techniques, prior to my Tama-Do Practitioner Certification, **I agree that, in all communication with my clients and the public, I will site Fabien Maman's work and Tama-Do, The Academy of Sound, Color and Movement as the source of my training.**
- 2) **I acknowledge that after completing this course, I shall not have permission to teach these Tama-Do Techniques under any title or designation.** I acknowledge that the techniques I am about to learn are proprietary to the Tama-Do Academy. This means they are registered and certified and the sole property of the Academy. I agree that I shall not advertise nor hold myself out to the public or to students or prospective students as a Tama-Do Teacher of this or any other Tama-Do techniques, unless and until I am granted permission to do so in writing by Tama-Do Academy, after completing the Tama-Do Teacher Certification Requirements. Unless and until I am granted such certification, I agree that I shall not, under any designation or description, teach any courses that are derived in part or in whole upon any of the Sound, Color or Movement® that I have learned in the Level I and II trainings I have taken and am about to take, or in any Tama-Do Academy books, CDs or written or electronic material.
- 3) I further understand that the teachers of Tama-Do Academy are not medical doctors, nor will they give me medical diagnosis nor medical treatment procedures. I come to Tama-Do for the sole purpose of furthering my own self awareness. I understand that, while working with sound, color and vibration, some individuals may experience strong physical and emotional reactions. Whereas Tama-Do can offer me tools and facilitation in this process, I understand and take responsibility for my own health and well being.
- 4) I understand that all Tama-Do Academy books, CDs, Movies, handouts, and photos are copyrighted and protected under copyright law. I understand that it would be a violation of copyright law to photocopy, photograph, scan, record or copy by any other media, any documents and charts without permission from Tama-Do Academy.
- 5) I understand that there is NO PHOTOGRAPHING nor RECORDING during the Tama-Do Courses.
- 6) I agree to the following Tama-Do Policies: **Product is non refundable non returnable.**
- 7) **All Tama-Do Academy Trainings are PRO- ENERGY FIELD. This means that we are SMOKE FREE, PERFUME FREE, DRUG FREE and ALCOHOL FREE** as it affects the energy field. ## **Tama-Do Students Code of Ethics and Conduct®**

This is a moral, ethical and legal contract between Tama-Do Academy and The Tama-Do Students for the purpose of protecting the integrity of the Tama-Do teachings and work for future generations.

**As a Tama-Do Student, I , \_\_\_\_\_, (NAME), agree to conduct myself in accordance with the following principles: (Please initial each section)**

\_\_\_ **1. The Tama-Do Logo:** I understand that the Tama-Do logo appears on all things Tama-Do, to convey alignment with the Tama-Do mission:

### **Tama-Do Academy Mission Statement**

"Tama-Do ("Way of the Soul"), The Academy of Sound, Color and Movement®, founded in 1988 by Visionary Fabien Maman, the founding father of vibrational sound therapy (Webster's Dictionary), is dedicated to the evolution of Human Consciousness through research, teachings and creative Soul-expression. We are an international community of Energy Practitioners of the Light.

Tama-Do means "*the Way of the Soul to the Light.*" We honor and practice the Light above all else. We use Energy Work, Spiritual Practice and Self Knowledge to receive the Light and pass it on to others.

The Tama-Do name and emblem appear on all Tama-Do books, recordings, websites and other publications, assuring the reader that the work originates with the Academy established by Fabien Maman and Terres Unsoeld, and faithfully conveys the integrity of their teachings and preserves the purity and integrity of the Tama-Do work and mission for future generations."

\_\_\_ **2. I will honor the Tama-Do Teachings and Techniques.** I understand that after completing a **Tama-Do Level I Workshop**, I am allowed to practice the Tama-Do Level I Techniques that I have learned within the workshop, but I am not allowed to advertise in any manner that I have been certified in these techniques. This means that I will not advertise in writing or online or in any other way until I have been certified as a Tama-Do Practitioner. I agree to preserve the purity and integrity of Fabien Maman's and Terres Unsoeld's Teachings and Techniques for future generations by always communicating to others from where I have received the knowledge.

\_\_\_ I will cite Fabien Maman's and Terres Unsoeld's work, name them as my teachers and reference and link to Tama-Do, The Academy of Sound, Color and Movement® ([www.tamado.com](http://www.tamado.com)) as the source of my training.

\_\_\_ I will always conduct my Tama-Do therapy sessions consistent with the process and curriculum as developed and taught by Tama-Do, The Academy of Sound, Color and Movement®.

\_\_\_ I will not mix the Tama-Do Level I Techniques with other modalities.

\_\_\_\_ I also understand that after completing a **Tama-Do Level II or III Workshop, Training or Master Class**, I am allowed to practice the Tama-Do Techniques that I have learned within the workshop ONLY on myself, for self development. These advanced techniques, according to the Shamanique Ettiquette, are not to be practiced on others, as they have not been initiated into the Sacred knowledge.

\_\_\_\_ **3. I will honor the Energy Field of Tama-Do Academy.** I understand that Tama-Do Academy is PRO-ENERGY FIELD. This means SMOKE FREE, PERFUME FREE, DRUG FREE and ALCOHOL FREE, as it affects the energy field of myself as well as of those around me. No hallucinogenic plants of any kind are allowed. I agree to preserve and protect the energy field of Tama-Do Academy.

\_\_\_\_ I will refrain from smoking, drinking alcohol or using recreational drugs (including all hallucinogenic plants) during any and all Tama-Do Activities, including but not limited to Tama-Do Teachings, Therapy Sessions and Shamanique Journeys.

\_\_\_\_ I will be clean and sober (alcohol, tobacco, drugs and hallucinogenic plants) 3 months before a Tama-Do Training and during the entire course of the training - day and night.

\_\_\_\_ I will wear no perfumes, essential oils or perfumed body lotions, shampoos, etc, during any and all Tama-Do Activities, as many people have respiratory issues, which we must be sensitive to, and many oils conflict with the Faery Essences used during Tama-Do activities.

\_\_\_\_ I will wear white (or light colored) clothing to harmonize the energies of the room, during qi gong, meditations, concerts and while conducting a Tama-Do Therapy session..

\_\_\_\_ I will wear different clothing when I am outside on the street, than when I am working within the Sacred Energy Field of Tama-Do (our Tama-dojo).

\_\_\_\_ I will keep my physical body, which is my Sacred Temple for the Light, clean at all times. I will take showers daily, wash my whites regularly, wear socks during the courses, to protect the floors from receiving the toxins of my feet and wash my hands and face before and after Tama-Do therapy sessions.

\_\_\_\_ **4. I will honor the Tama-Do Sacred Circle.** I understand that Tama-Do Academy is a community of Energy Practitioners of the Light. That means that we strive to cultivate a culture of positivity and possibility, to ground and express the Soul in the daily life. In order to achieve this fine, subtle vibration, (and rise above our lower astral, social/emotional tendencies), I agree to behave in the highest consciousness of the Light.

\_\_\_\_ I will hold Sacred the Divine that is within me.

\_\_\_\_ I will honor the Teachers, the Teachings and the Group.

\_\_\_\_ I will refrain from negative, critical or fear-based language and communication.

\_\_\_\_ I will hold space for others to rise up to the Light.

\_\_\_\_ I will support the Teachers to rise the energies up of the group.

\_\_\_\_ I understand that the contact information of my fellow classmates is private and has been given to me so that we can communicate about Tama-Do course work and scheduling. I will not create "groups" on social media platforms (such as Face Book, Whatsapp, Messenger, etc) that involve my fellow classmates without written permission from Tama-Do Academy.

\_\_\_ I will refrain from sexually evocative or provocative behavior. This means sexual banter, body language, provocative and inappropriate clothing.

\_\_\_ I will refrain from sexual or intimate relations with fellow students during the trainings.

\_\_\_ I will have NO sexual or intimate relations with my Tama-Do Teachers, Practitioners or Clients.

\_\_\_ I will show up for every single class and participate with open heart and mind. If I miss one day of class, I will be excused from the entire duration of that technique, as it is impossible to make up the energy experience that I have missed. I therefore will not be certified as completing Level I.

\_\_\_ **5. I will conduct my daily life according to the Tama-Do Practitioner Ethic (see attached).**

\_\_\_ **6. YES, I understand the Certification procedure of Tama-Do Academy.**

**To become a Certified Tama-Do Practitioner, I understand that I must:** (ticking the boxes indicates that I understand the steps and does not bind me to take the steps.)

\_\_\_ Take all 9 Level I Courses.

\_\_\_ Take the Level I Review and Tama-Do Ethics Course.

## *Tama-Do Practitioner Ethic*

- Honor the Light above all else.
- It's a pure illusion to try to change others.
- We can only change ourself.
  - Meditate
  - Practice Chi-Gong
- We are a channel of love, like the sun pouring its rays on the Earth; like the rains watering the plants. We are filled with Light.
- 
- Cultivate purity of on all 8 levels of consciousness.
- Respect our client's process. They are the one's on the journey, not us. They must follow their own rhythm of healing.
- Honor the laws of Nature. Nothing must be forced before it's time.
- Let go. Have absolute confidence in and complete love for the Great Force which presides over life. It doesn't mean "do nothing", but demands that one agrees to live what is to be lived and that there is no such thing as chance. Once we have done everything in our power to prepare, the rest is "in our hands", guided by the powers of the Universe.
- Perseverance and Patience. Practice, learn and exercise.
- Become Transparent. Leave ourselves at the door.
- Believe.
- Humility. We serve. We make mistakes. It is not about us.
- The Soul of the Academy is the People. We are here to serve the elevation of the consciousness of the people. As they change, we change. We are never static in our work.

Obstacles to watch out for:

- Knowing it all. It leads to power.
- Desire to "heal" or "fix" your client.
- Will power. "I want to know it all or fix it all!"
- Judgement.

"We can teach people nothing. We can only help them discover that they already possess within themselves everything there is to learn." - Galileo
