

Shamanic Journey of Light in the Swiss Alps - Summer 2013 !

OH MY GOD !!!!

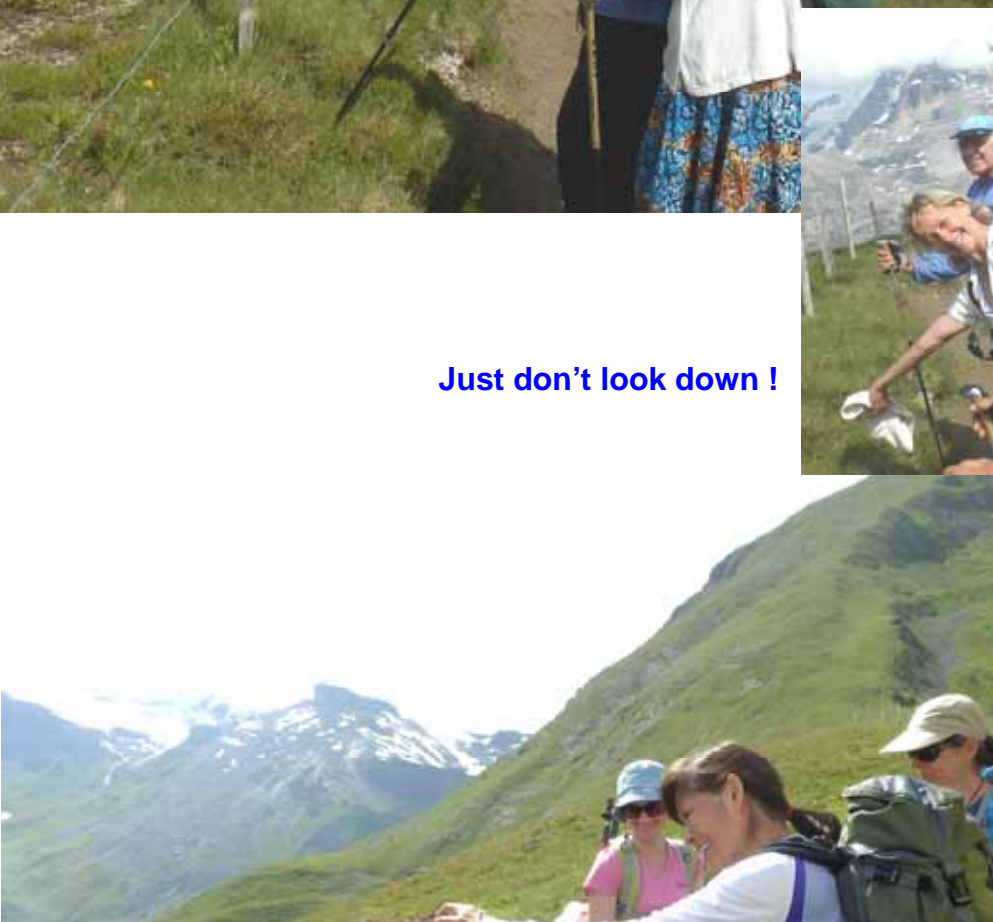

We survived the knife edge !!!

Hey ! What's this white stuff ?? !!

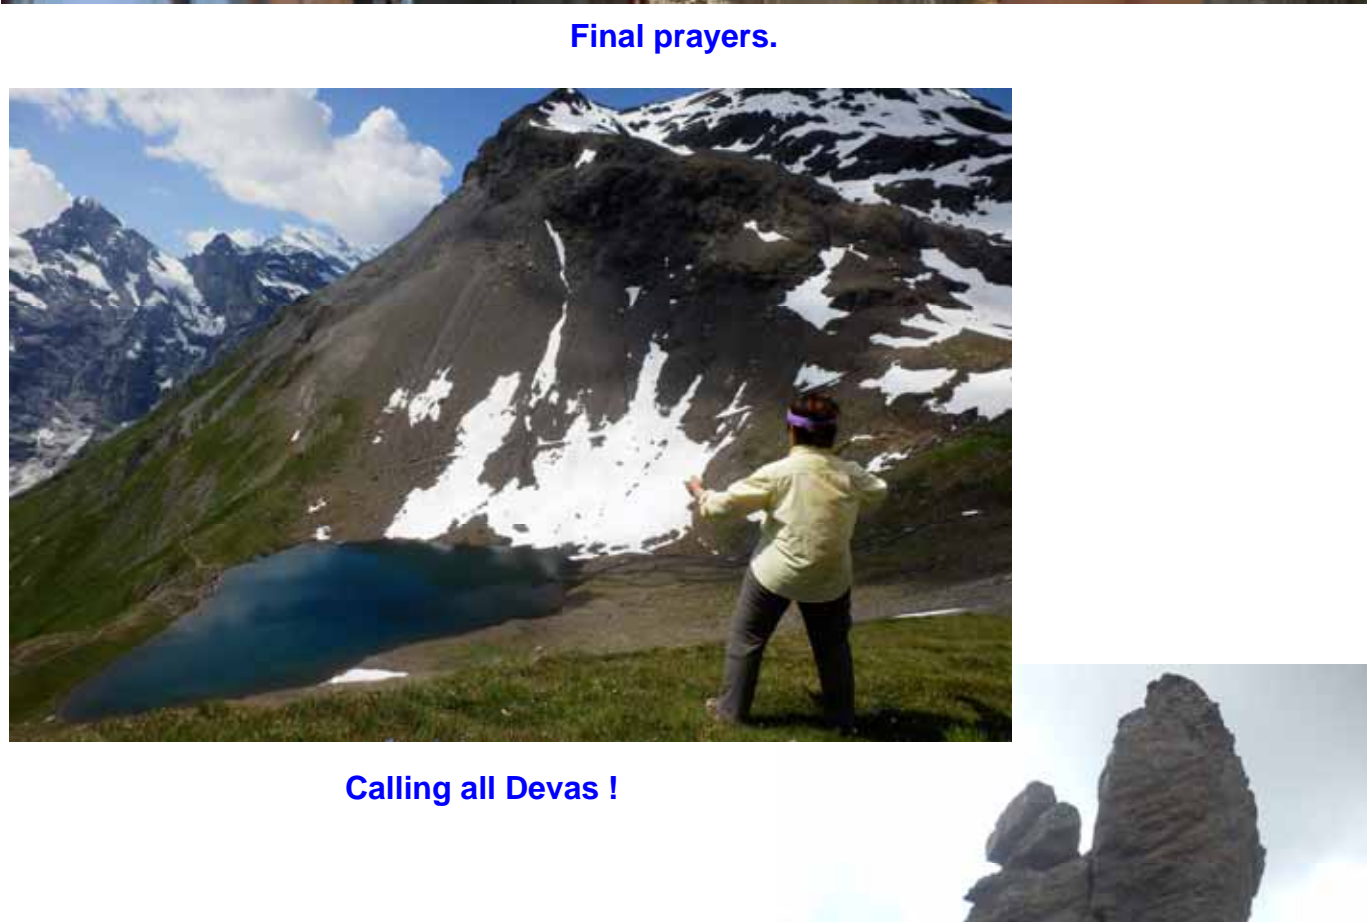

Just don't look down !

OK, that was the easy part. The knife edge is in front of us.

Just don't look down !

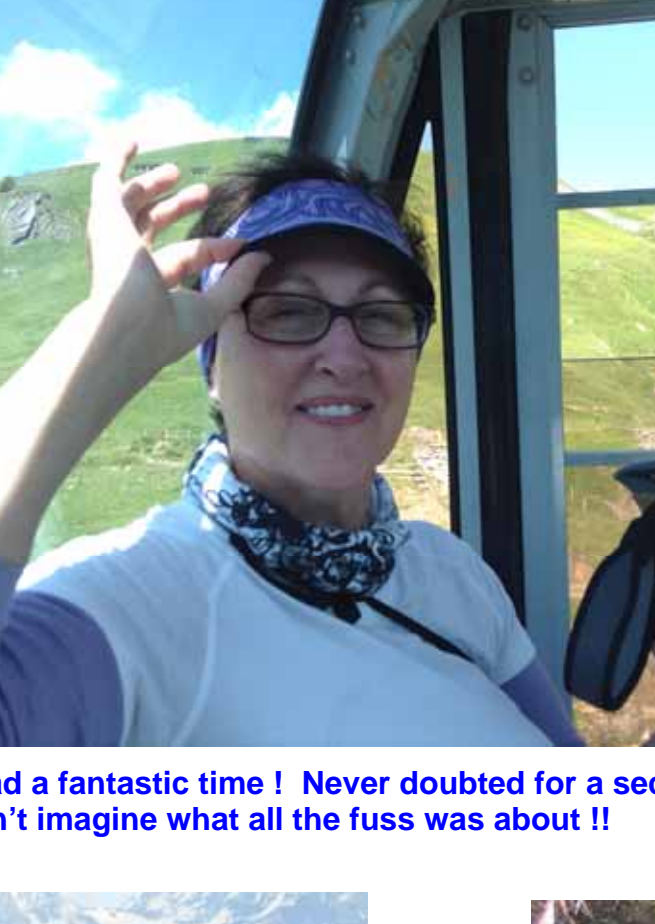

Final prayers.

Calling all Devas !

Trail? What trail?

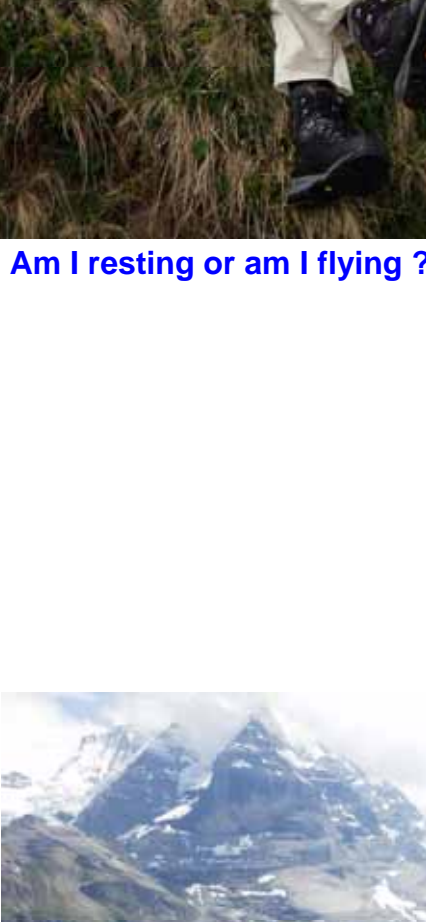

7000 feet down on the left, 6000 feet down on the right.

I thought you said NICE Edge, not KNIFE edge !

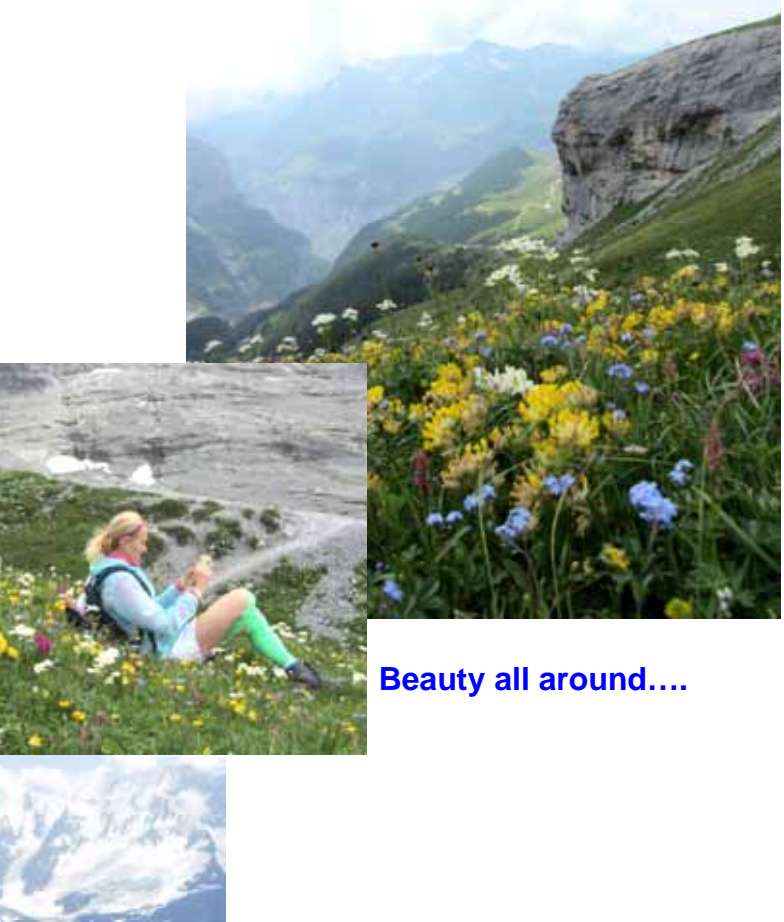

I had a fantastic time ! Never doubted for a second we could do it. Can't imagine what all the fuss was about !!

You're right Deidre. I never doubted for a minute !

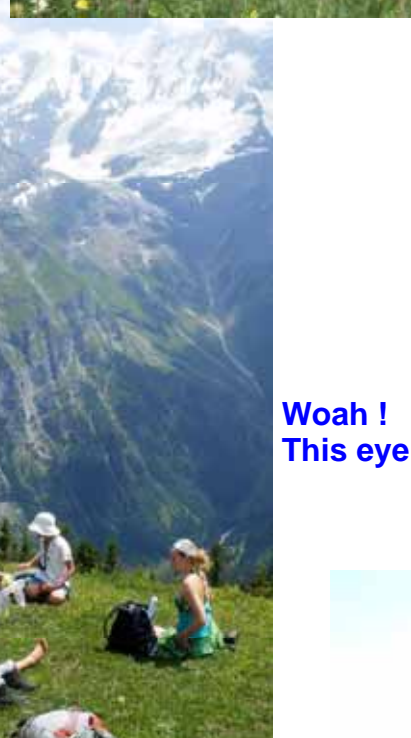

What took you so long ? I've been waiting for hours !

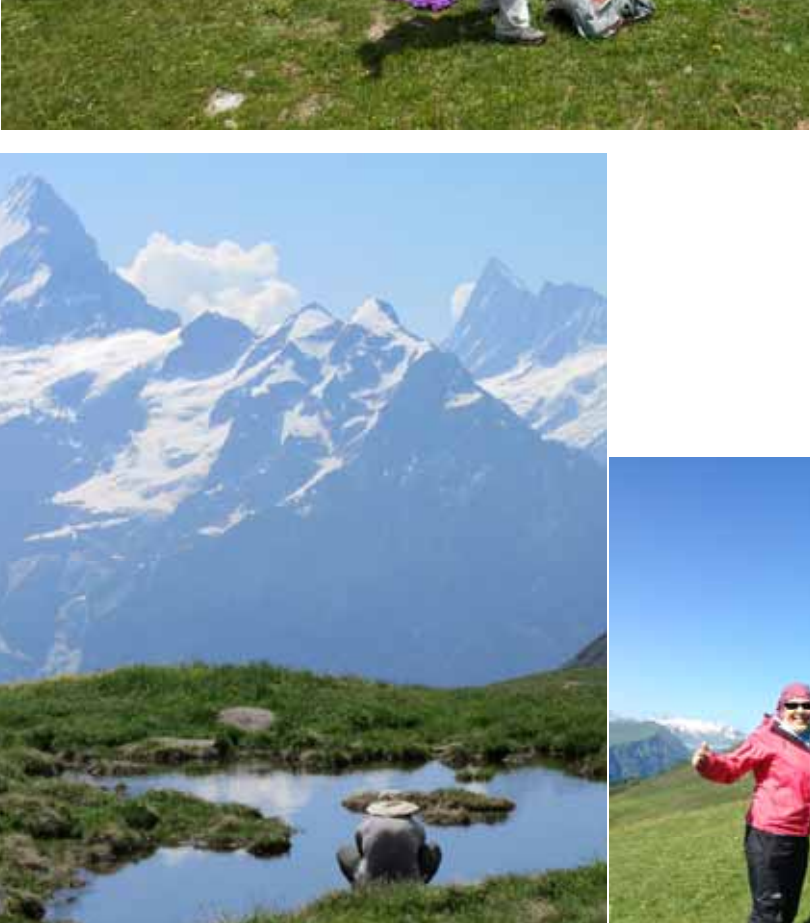

Note the angle of the hill. Typical Swiss rest stop.

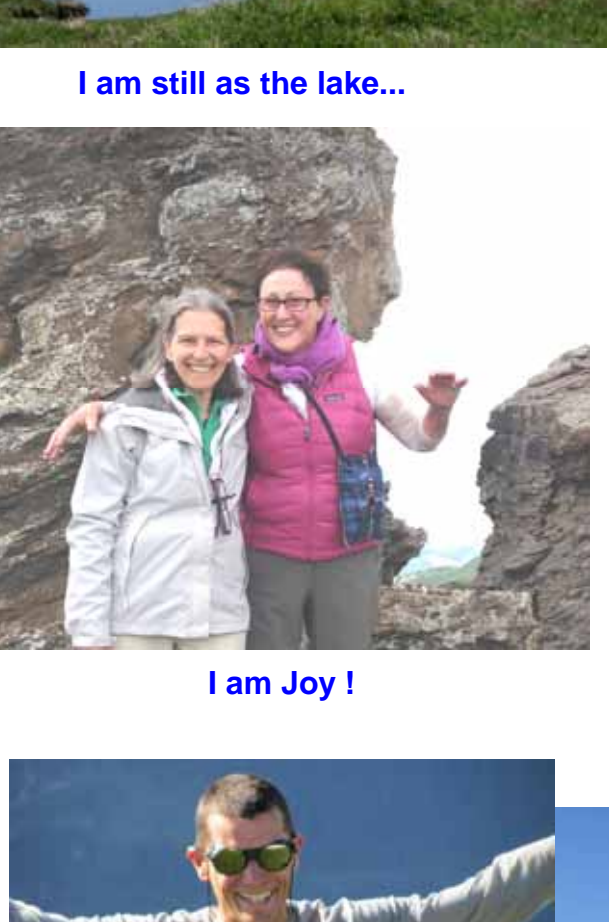

Am I resting or am I flying ?

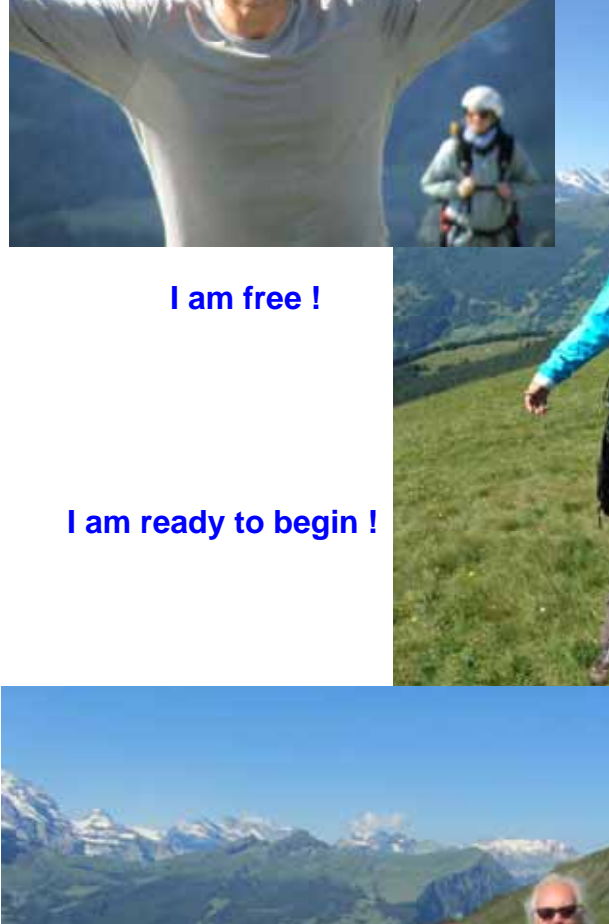

Beauty all around....

Woah ! This eye potion es muy bonito !

I am strong as the mountain !

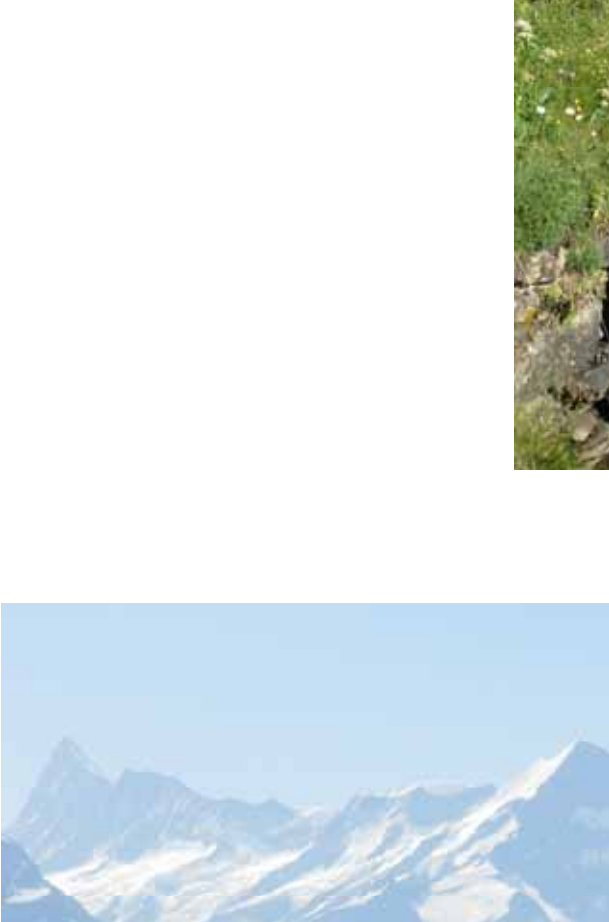

I am Joy !

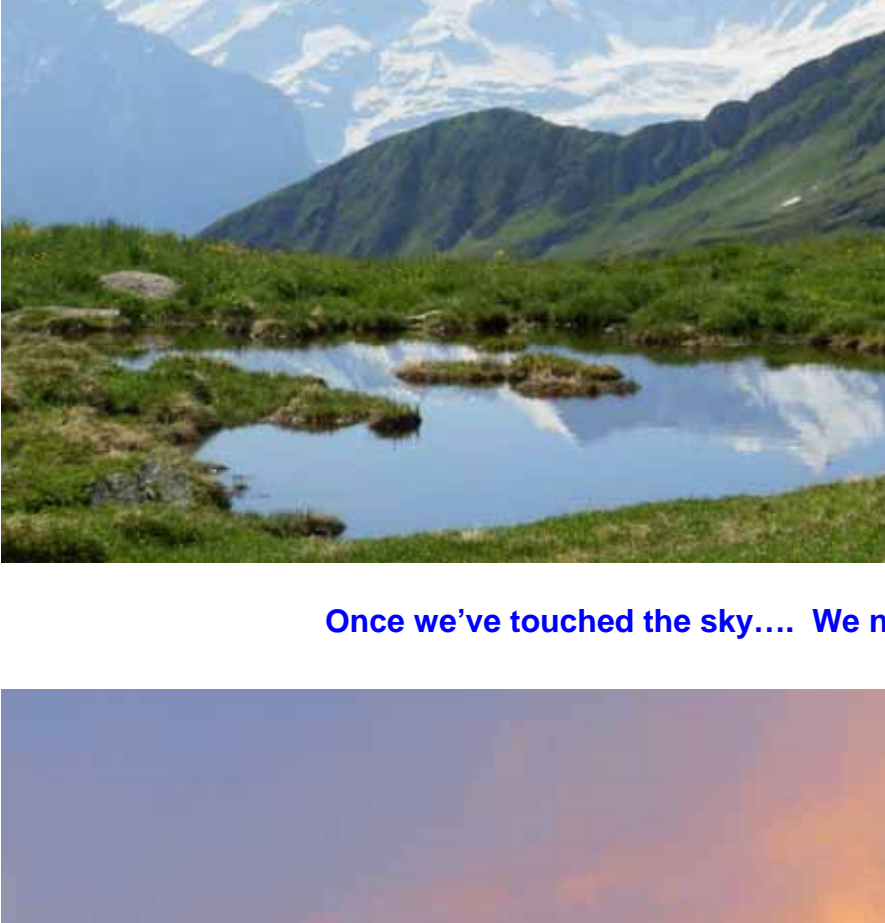

I am Love.

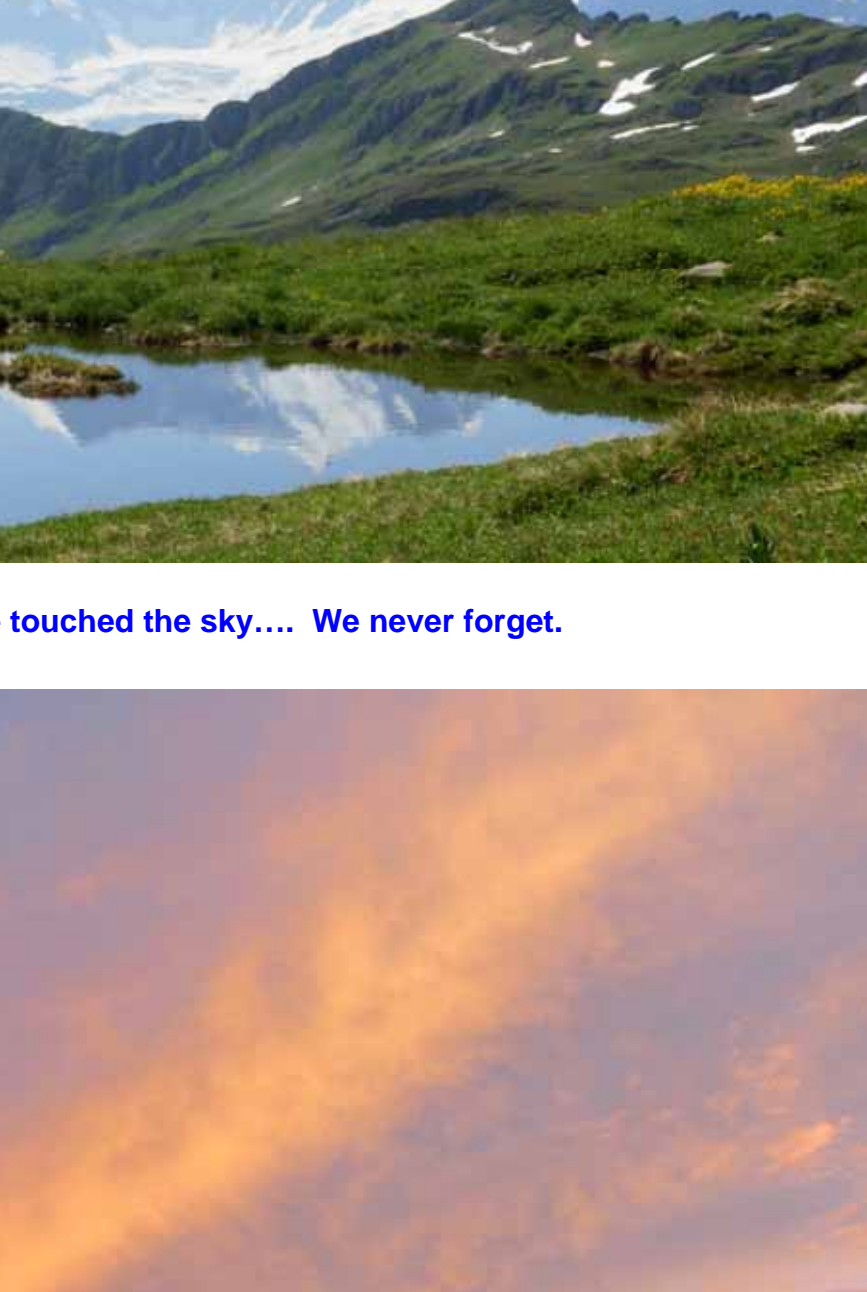

I am free !

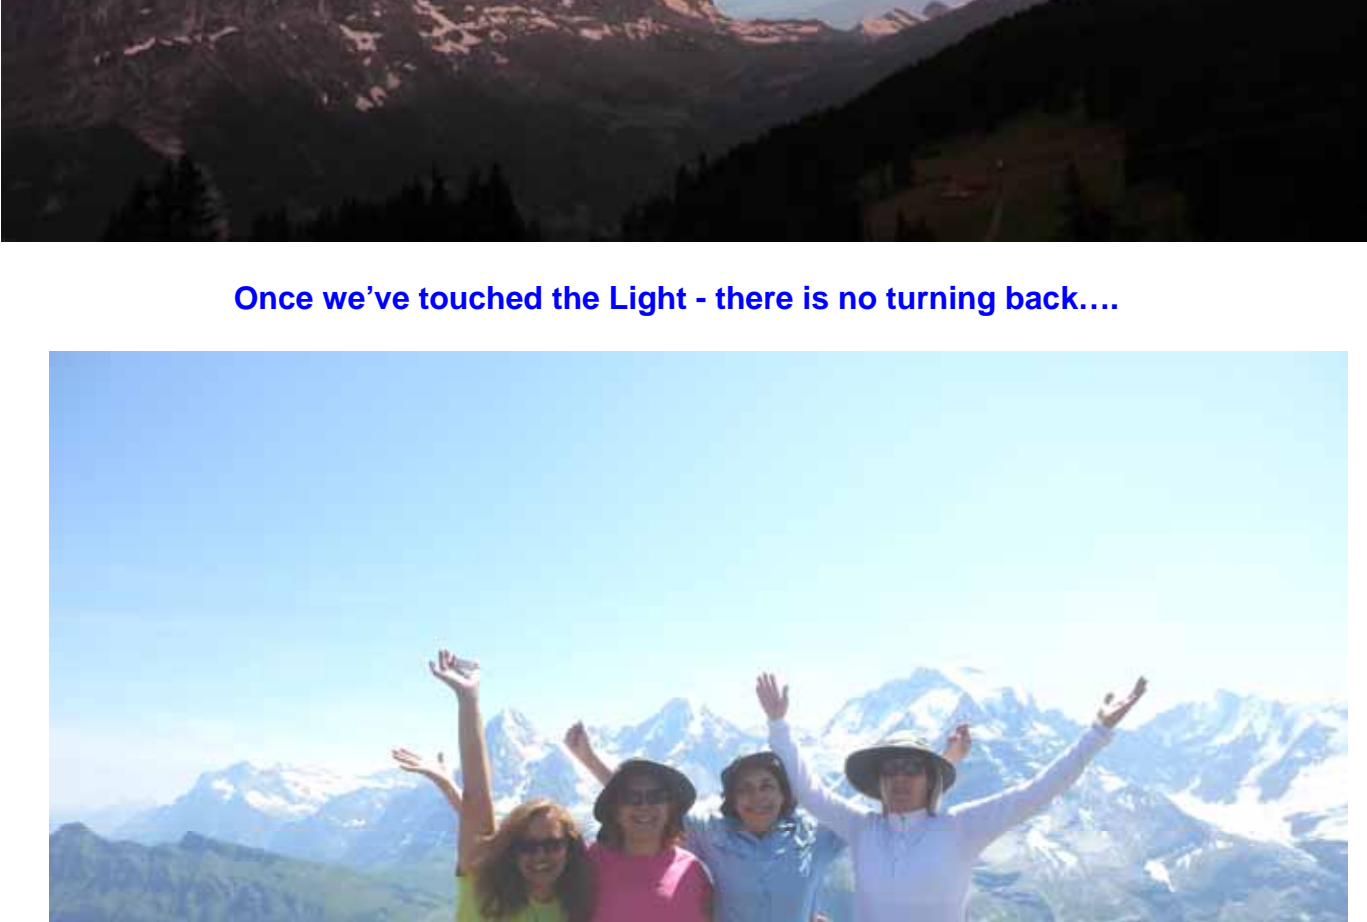

I am ready to begin !

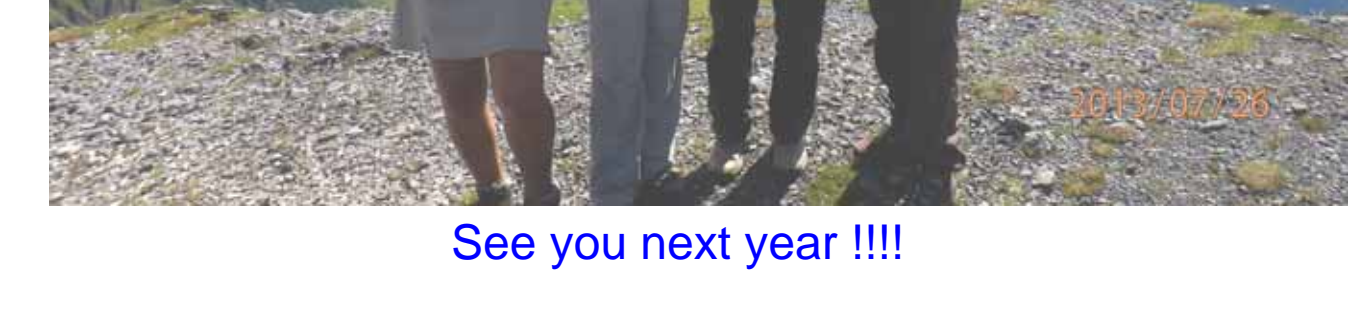

We have each other....

Mother Earth is our Home...

Once we've touched the sky.... We never forget.

Once we've touched the Light - there is no turning back....

See you next year !!!!
