

Shamanic Journey of Light - Grindelwald 2015

French alpinists looking for the Light...

"C'est Tama-Do?"

"Follow me! It's this way!
Trust me on this—2nd time
is SOOO much better!"

"Oui. C'est Tama-Do."

"Here we come!"

"Are you sure this is the right way to the Light?"

"Let's check..."

"We're here! We're here!"

"Um... I think I found something.
Help me move this rock."

"Ommmm!"

"OK. Let's start again. What's your arrow?
You can only find it alone..."

"But I AM the Light.
Can't you see?"

"Woah. This is big.
I think I got something here."

"My baby is of the Light."

"The Light is
everywhere."

"Yeah! OK. I think I got it."

"Je suis Denis! Je suis la Lumiere!"

"Very good."

"That's profound."

"Mi tambien!"

"That's IT!!"

"Si Claro! I am the deep of the
sea and the music of the stars."

"Ooooooh!"

"Que rico!"

EnLightened French alpinists.

"Thank you."

"We are truly blessed."

"We found the Light!"

"See you next year!"
